St. Michael's

St. Michael's Parish serves 3,800 families. Our school has an 85-year tradition of educating and guiding children in their faith. In addition to the school, our Religious Education program serves another 1,400 children and adults with religious study and fellowship.

The St. Michael's community supports worthwhile local programs such as Cranford Family Care, Raphael's Life House, St. John's Soup Kitchen and St. Joseph's Social Service Center. Our Youth Group makes an annual trip to build and restore homes for the needy of Appalachia.

The Town of Cranford

Recently voted one of New Jersey's top places for families, Cranford's 22,000 residents enjoy a balanced community with strong downtown businesses, retail shops and restaurants. Cranford is surrounded by a number of active communities, bringing the area population to over 300,000.
